Dear Mr. Yonson:

**Re: *Freedom of Information and Protection of Privacy Act (the "Act")*
Request for Records – Mortgage Loans**

UBC is responding to your request dated November 6, 2012 for "a detailed list of mortgage loans currently provided by UBC to their employees, including name, job title, original loan amount, and interest rate charged."

I am enclosing a copy of a summary of mortgage loans provided by UBC to its employees containing the employee name, the original loan amount, and the outstanding loan amount. These loans are all interest-free. We have not inserted the job titles into this list, because this would take longer than the three "free" hours provided under the Act. You may determine these job titles yourself by checking the employee directory on the UBC website.

Don't hesitate to let me know if you have any questions about this letter.

Sincerely,

A handwritten signature in cursive script, appearing to read 'Paul Hancock'.
